SUBJECT: Contract NY-3958  
-----

Dear Hazel:

Under the provisions of the Patent Rights Article of the subject contract, Contractor hereby reports that to the best of his information and belief, there were no Subject Inventions conceived or first reduced to practice in the performance of this contract.

It is believed that this discharges our invention reporting obligations under this contract.

In addition, we wish to advise that no additional transportation charges will be billed under this order.

Sincerely,

Interceptor FCS Project  
Air Arm Division - 251
